

24 THINGS YOU MIGHT WANT

TO KNOW ABOUT ME, ANTHONY CHELVANATHAN.

I don't go to bars to meet women, I go to petting zoos • I like long walks along the beach with a knife • As far as I'm concerned you haven't lived until you've seen a drunk Mickey Rooney try to fight his way out of the kids ball room at Ikea • I have a trophy at my old school in my honour, it's called the "Anthony Chelvanathan Trophy" • My perfect date would end with my passing, oh what a sweet release that would be... • I read erotica but only in large print • Martin Luther King will always be my hero. A close second is Green Lantern. Actually Martin Luther King dressed as Green Lantern would be the best • My father invented bottled water • I keep a daily diary of all things dairy. For example: March 5, 1993 - 'Milk' • My favourite show is Primetime Live • On my days off I enjoy both kerning and tracking but never at the same time • I have a nervous twitch that makes me act like Lee Iacocca • I don't watch films, only made for TV movies • I was once invited to a murder mystery

party, I thought it was a costume party. You don't know what it's like to hear the phrase; "The giant tooth with the candlestick in the study" • I never learned how to climb stairs • I have a vestigial tail but because it can crack open beers for me it's not so vestigial • Belly dancers scare me, especially when they're coming at me and on fire • I like small things • To avoid the holiday madness I celebrate Christmas in a bunker 200 feet below the surface of the earth • I do community service by relaying the dangers of cigarettes to old Greek fisherman. I don't speak Greek and they don't seem to care, so I guess it evens itself out • I have two sons named Rack and Pinion • I've heard ants can carry 25 times their body weight. Perhaps with a lot of ants and the right training it could look like I was hovering everywhere I went • It was supposed to be called Chelvanathan-ware but when you lose at arm wrestling with Raymond Tupper you lose more than the match • *I'm an art director and I need a job.*
